

## CURB ADDRESS PAINTING IN COMPLIANCE WITH THE SAN DIEGO MUNICIPAL CODE

### THIS INFORMATION IS NOT INTENDED TO OFFEND YOU

The San Diego Municipal Code, Section 67.02, Curbs-Regulations for Painting Street Numbers is enclosed to make you aware of the Code that we must comply with in order to paint your street address number in compliance with the City's Regulations. SDRS is a private company with a City Permit that authorizes SDRS to paint to Code your street address.

All individuals that are painting without using long lasting, high quality traffic paint and paint white backgrounds, flags, palm trees, scenes next to your address, or paint on the top of the curb are operating illegally. They have no City Permit & are not painting to City Code. The City is now in the process of shutting these illegal operators down.

See City of San Diego Municipal Code enclosed:

Chapter 6: Public Works and Property, Public Improvement and Assessment Proceedings, Article 2: Public Rights-of Way and Land Development, Division 7: Curb Painting, Section 62.07 Curbs-Regulations for Painting Street Numbers.
